Volunteer Briefing Document

Role	Event Clear Away – Gazebos and Furniture
Date/Time	Saturday 30th August 1700-1900
Team Leader	Various – Control Point - 07719 553 067
Version	v1

Please attend the Control Point (to the right of the stage) at 1700 to collect your high-viz jacket and ID badge.

Your role is to collect the various gazebos and furniture from around The Common and load them onto a van for return to St Mary's Church Hall. The van will be driven by Chris Little.

The outgoing bucket volunteers at each location should have struck their own gazebo but they may require help.

Any event related issues, or queries from visitors, should be directed to the Control Point which can be found to the right of the stage, or contacted on 07719 553 067. Lost children or medical or security issues should also be directed to the Control Point.

Thank you in advance for your support – the event simply wouldn't be possible without it.

PLEASE ALSO FAMILIARISE YOURSELF WITH THE SECURITY BRIEFING WHICH ACCOMPANIES THIS DOCUMENT
