

Redbourn Classics Motor Show & Village Fete **General Security & Safety**

In the unlikely event of an incident which is not related to weapons or firearms, your first role will be to move people away from the scene to a place of safety.

Call for assistance. Please bring your mobile phone with you as there is a dedicated number for emergencies:

07719 553 067

This will be based in the **Control / First Aid Point** where St John Ambulance can also be found.

A defibrillator is also located in the Redbourn Community Group Bus and at the Redbourn Parish Centre.

Only tackle an incident if it is safe for you to do so and if you are capable of dealing with it.

If the incident is life threatening **call 999.**

There will be Police in attendance throughout the day.

a firearms or weapons attack

RUN HIDE TELL

RUN to a place of safety. This is a far better option than to surrender or negotiate. If there's nowhere to go, then...

HIDE It's better to hide than to confront. Remember to turn your phone to silent and turn off vibrate. Barricade yourself in if you can. Then finally and only when it is safe to do so...

TELL the police by calling 999.
