

Redbourn Classic Car Show & Village Fete 2025

Volunteer Briefing Document

Role	Event Setup – Fencing
Date/Time	Friday 29th August 1700-1900
Team Leader	Various, Control Point - 07719 553 067
Version	v1

Please meet opposite the Methodist Church on North Common at 1700 where we will assign all volunteers into smaller teams with a team leader.

Fencing will be erected around the main arena first, followed by the parking areas and the edge of the Cricket Field, then finally Redbourn Museum. Each group leader will be issued a map to show where the fencing needs to be situated, along with gaps for the vehicle and pedestrian entrances.

The stakes and mesh fencing supplies will be distributed around The Common.

If you have any issues or are no longer able to attend, please contact Barry Welch.

Mallets will be provided to affix stakes for the mesh. You may also choose to bring your own mallet and to wear thick gloves as the fencing stakes can be dirty.

Thank you in advance for your support – the event wouldn't be possible without it!

**PLEASE ALSO FAMILIARISE YOURSELF WITH THE SECURITY BRIEFING WHICH
ACCOMPANIES THIS DOCUMENT**
